NEWS DEPT.-Last meeting, there was an amendment to the by-laws stating that there must be at least 2/3 of the members present for officers and other amendments to be voted in. . . Doc Savage, the movie will be playing at one of our local theaters shortly. . . Atlas (Seaboard) Comics has gone bankrupt, according to 'The Buyers Guide', so you may never see another Atlas comic, at least for some time. . . Marvel Comics is going to be cutting back on it's Black & Whites and color magazines. To what degree, no one knows. . . There is nothing planned extra for the month of August at the club, mainly because of poor attendance, so, please come, there may be some surprises yet to come. . . Sometime in September, The Raffler will be raffling of a Spiderman #6 in very fine condition. Tickets will be 50¢ once again. . . Don't forget nominations for president, election dates aren't known, but when we have 13 members at a meeting, and someone running for president, the elections will take place, most likely in September.

NEW ISSUES DEPT.- Savage Tales Annual- Very nice cover, but all the stories are reprints from earlier issues of Savage Tales and Astonishing Tales. Please note the Barry Smith story "The Sun God".

Savage Sword of Conan Annual- This one, also, contains reprints from some great Conan stories, very nice magazine.

DOC SAVAGE- A nice cover with a great story told in the old Doc Savage style should make this last a while. Lots of action, something that you can't stop in the middle of.

The Inhumans- They've been around for a long time, but, many characters make this one a bit too confusing.

The Champions- The Defenders don't have a thing to worry about. A bunch of loners who will be lucky to make it to issue #10, unless a miracle.

Warlock #9- After an absence from the scene, Jim Starlin and Warlock are back with a bang. Starlin does superbly. If you haven't got this one, hurry

Marvel Chillers- A fairly good issue, one you can enjoy, pick one up if you can.

-Last minute news item- Tim Gray has released three more clues to his tough puzzle, SGO SUICS EA SUMECO

CLUE#1- A(alphabet) = V (comic co.)

CLUE#2- The Comic Co. has three words not in order

CLUE#3- What looks in the mirror but doesn't see itself???
